

## 1.Fare

When purchasing a ticket, find the letter/number of your destination station on the subway network map at the ticket sales area, and check the fare referring to the Subway Fare Chart. Fare for children (ages 6–12) is approximately half the price as that for adults. (rounded up to the nearest ¥10)

### Regular Tickets (¥)

	Zone1	Zone2	Zone3	Zone4	Zone5
Adult	200	230	260	290	320
Child	100	120	130	150	160

Subway Fare Chart

## 2.How to Ride

(1)Purchasing a ticket (at a ticket vending machine)

In addition to regular tickets, 1 day tickets can also be purchased at a ticket vending machine. For further information about 1 day tickets please [refer to Tickets](#).

※ Instructions on how to purchase a regular ticket and 1 day tickets are posted near the ticket vending machines.

Ticket Vending Machines

(2)Go through the wicket and proceed to the platform.

Automatic ticket gates are set up at every station. Insert your ticket into the slot on the ticket gate to pass through. Please do not forget to take your ticket when you go through the wicket.

Automatic Ticket Gates

(3)Exit through the wicket.

Fare adjustment machine

If you get off the subway at a station beyond the validity of your ticket, adjust the fare by using one of the fare adjustment machines located in front of the wicket.

Instructions on their use are posted nearby.

Exit through the wicket

Once again insert your ticket into the slot in the ticket gate to pass through. Regular tickets will remain in the gate, but 1 day tickets will be returned to you, so please do not forget to take them.

Fare Adjustment Machine

### 3.Station Area Maps etc.(Getting to your Destination)

Station area maps are installed at every station to help guide passengers to their final destinations. There are also bus information boards for those passengers transferring to a city bus.

Should you have any questions, please ask a station staff member.

## 1.Fare

All bus lines offer rides at a flat rate, except for Late Night Buses.

※ There is a ¥ 10 fare surcharge on buses that travel on the urban expressways.

(¥)

Bus Type	Adult Fare	Child Fare
General / Key Route Bus	200	100
Express Bus	210	110
Late Night Bus	400	200

Bus stop with roof

## 2.How to Ride

(1)Please board from the front door and pay the fare as you get on.

The fare may be paid in cash, regular ticket, or by Manaca.

(2)When you wish to get off the bus, please notify the driver in advance by pressing one of the stop buttons located throughout the bus.

Once the bus has stopped, please exit from the rear door.

※The bus may pass bus stops without stopping if no one is getting off or waiting to get on.

※Key Route No. 2 Buses are boarded from the rear. Please pay the fare before exiting the bus from the front door.

### Types of Buses

General Bus

Key Route Bus

Downtown Loop Bus

Local Circuit Bus

※City Bus route sign colors vary according to bus service and destination.

## Route Sign Colors

General (Main Route):  
Blue

General (Regular): White

Key Route Bus: White

Local Circuit Bus (right  
loop): Brown

Bus bound for Nagoya  
Station: Green

Bus bound for Sakae:  
Pink

Bus bound for  
Kanayama: Black

## 3. Local Circuit Bus

Local circuit buses, as a new service in the local areas of the city, travel along their respective circuits, stopping at places for riders' daily needs, such as ward or branch offices, hospitals, shopping streets, subway stations, and other locations.

### Route

1 line per ward (Kita, Nishi, Nakagawa, Minato, Moriyama, and Midori Wards have two lines)

### Service

- Once every hour from 9am~4pm
- There are bus stops for the local circuit bus roughly every 250 meters.
- Local circuit buses are mainly subcompact buses (Regular buses do not stop at the circuit loop bus stops.)

### Fare

¥200 (¥100 for children)

Local Circuit Bus Stop

## 4.Late Night Bus

---

### Route

Route No. 1 (Sakae — Fujigaoka)

Route No. 2 (Sakae — Chikatetsu Takabata)

### Service

Late night, Monday through Friday (buses do not run on holidays, and during the year end/new year period)

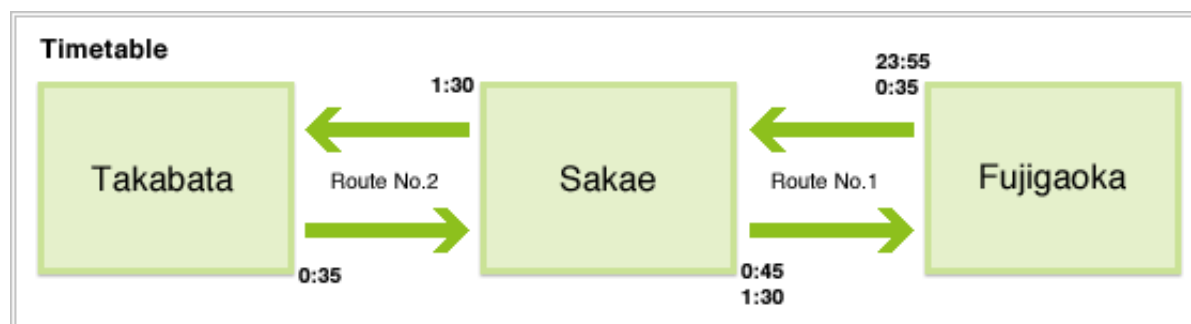

### Fare

¥ 400 (¥ 200 for children)

(bus fare is reduced to half price with the use of a commuter pass for the traveled area, or with a 1 day ticket)

Late Night Bus

## 5.Yutorito Line (Guideway Bus Shidami Line)

---

With service between Ozone and Kozoji in Nagoya's northeast region, the Guideway Bus runs along a dual-mode route. Part of the route is on an elevated track and the other part is at street level.

(Please refer to the Train Route Map for the location of the Yutorito Line.)
